**Notice regarding Selection for the Lunar Transportation Project**  
**Solicited by the Taiwan Space Agency (TASA)**

ispace inc. (“ispace”) hereby announces that it has been selected for the lunar transportation project solicited by the Taiwan Space Agency (“TASA”) for the delivery of scientific mission instruments to the lunar surface.

1. Overview of TASA

(1) Name	Taiwan Space Agency	
(2) Location	9 Prosperity 1st Road, Hsinchu Science Park, HsinChu City 300, Taiwan	
(3) Representative	Cheng-Wen Wu, Chairperson	
(4) Description of business	A space agency in Taiwan responsible for promoting the research and development of space technologies, formulating space-related policies and plans, and advancing the development of the space industry	
(5) Year of establishment	1991	
(6) Relationship with the Company	Capital relationship	Not applicable
	Personal relationship	Not applicable
	Business relationship	A memorandum of understanding has been signed to promote strategic dialogue for future lunar exploration
	Status as a related party	Not applicable

Note: Certain items, including the amount of capital, major shareholders and ownership ratios are undisclosed as TASA is a space agency.

2. Overview of the project

(1) Payload	Vector Magnetometer and Ultraviolet Telescope
(2) Total contract amount	\$8 million USD
(3) Target Mission	Mission 4

(4) Announcement Date (Taiwan Time)	October 3, 2025
(5) Execution Date of the Payload Contract	October 2025 (tentative)

3. Impact on financial results

This matter has already been factored into the consolidated earnings forecast for the fiscal year ending March 31, 2026, and ispace will promptly announce if it is determined that there are any matters that require disclosure.
